### Chapter Two - Herbal Medicine is Nature's Pharmacy

In general, herbal medicines work in much the same way as conventional pharmaceutical drugs.

Herbs contain a large number of naturally occurring substances that work to alter

## Disclaimer

Don’t proceed with any treatment protocol without the full support of your Lyme disease specialist. If you don’t have one, please find one as soon as possible.

It is vitally important that you find and work with a Lyme disease specialist who can:

! Try different treatment protocols, and monitor which works best;

! Be informed of the current research on Lyme disease, and be able to provide you with the latest information on the disease and its treatment.
